

Learning Update

Date: WC 19.10.20

What We Will Learn

Literacy/Science

Text: Pumpkin soup by Helen Cooper.
Literacy objective: To write instructions to make Pumpkin soup.

Science chemistry: Explain how materials can be changed Describe changes in materials and begin to connect cause and effect and use this to inform their decision making. We will be making pumpkin soup.

Maths: Comparing amounts

Sorting by a set criterion and to choose own criterion. Counting forwards and backwards. Charting the weather, more, less, find the difference. Time, days of the week, months of the year, date and seasons.

Art and Design and Design Technology Sculpture

Shows increasing control over malleable modelling materials such as dough and clay.
Uses one-handed tools and equipment.
links with Science Chemistry: Tuff tray exploration. Plasticine, play dough and clay which is best for modelling into pumpkins and Autumn vegetables? What happens when we add water?

RE

Know that God made each one of us different and special. Reflect on this.

PE: Body Management

Ability to stop and start on signal: Musical statues and musical spot game.

Balance and control: Creating own obstacle course

Learning about our senses.

Music: Charanga Find the pulse.
Identifying high pitches and low pitches.

PSHE: Jigsaw : Our rights.
