29th September 2021

Dear Parents/Carers,

Year 5 Stone Age Workshop - Tues 7th Dec

We have arranged a Stone Age Workshop for Year 5 on Tuesday 7th December. Portals to the Past will be coming into school for the day to provide this Learning Activity Session to support our topic work in our history unit, which is Stone-Age to the Iron-Age.

The session will be led by Ian Morris who has appeared in Horrible Histories! The children will discover how the first Britons: lived, survived and evolved.

This will all be on school premises, within school hours and it would be great if the children could dress up on the day to fully immerse themselves in the experience. There are plenty of cheap dressing up ideas on the internet and I will also be sharing ideas with the children, please don't go to any unnecessary expense! Please rest assured this activity has been fully risk assessed in line with any current Covid guidelines and Portals to the Past will take all necessary precautions.

The cost will be £10 per child to cover all their expenses, materials and craft resources. Please pay using the online payment system. Please only send cash if you are unable to use the online system.

Kind Regards

Miss Chapman
Class 5 Teacher
