

# Sacred Heart Catholic Voluntary Academy

Teacher: Mrs Skwarek

Class: Sycamore Class

Year Group: 3

This half term we are learning:

## English

- We will be exploring different books that link to our Geography Topic about The Amazon Rainforest.
- Using the information that we learn throughout the half term, we will then be writing a dilemma story, as well as a diary.

## Maths

This half term we will be continuing our work about perimeter and starting to look at fractions. We will be finding different fractions, counting in fractions, looking at equivalent fractions and calculating fractions.

Any practise at home of reading/writing numbers, ordering them or using written methods of working out would be appreciated.

## Science - Living things and their habitats

In Science, we will be exploring living things and their habitats. We will be exploring the requirements of plants for life and growth. We will be identifying and describing the functions of different parts of flowering plants and explore their life cycles.

## RE - Celebrating Easter and Pentecost

This half term our RE topic is about 'Celebrating Easter and Pentecost'. We will learn about the Resurrection of Jesus and the coming of the Holy Spirit at Pentecost. In relation to this we will be asking and responding to questions about our own and others experiences and how this affects our behaviours.

### Homework

Reading - please try to read a little each day for a minimum of 5 minutes.

5 minutes of TTRS each week

Spellings will be sent out on a Tuesday and tested on the following Tuesday.

### Geography

- In Geography, we will be studying The Amazon Rainforest. We will be identifying its location within the world. We will be comparing the climate of the UK and Brazil as well as studying the exports of Brazil.

### Art

In Art, we will be Printing. Using resources we will be rolling and printing ink, experimenting with mono-printing and creating coloured, repeated patterns.

### Music

In Music we will be learning all about different Samba instruments. We will be playing a range of instruments too.

### ICT/ Computing

In computing, we will be looking at Branching databases. We will identify data that they hold and attempt to create our own.

### PE

PE will be on a Friday and our focus will be Cricket  
Please come to school in your PE kit on Fridays. If the weather is cold, please wear blue or black jogging bottoms and a jumper.

### Key Dates
